Rainbow Shiksha Started with the Inspiration of Saanthwana Group

Theme of Rainbow Shiksha

Aim

- Rainbow is a team, which is started for to full fill the dreams of child who is under the poverty line.
- We are guiding the students who is above 9th standard. The specific reason behind considering the standard is, A student can easily understand the purpose of study and how they are getting the fee for their studies.

Why Education?

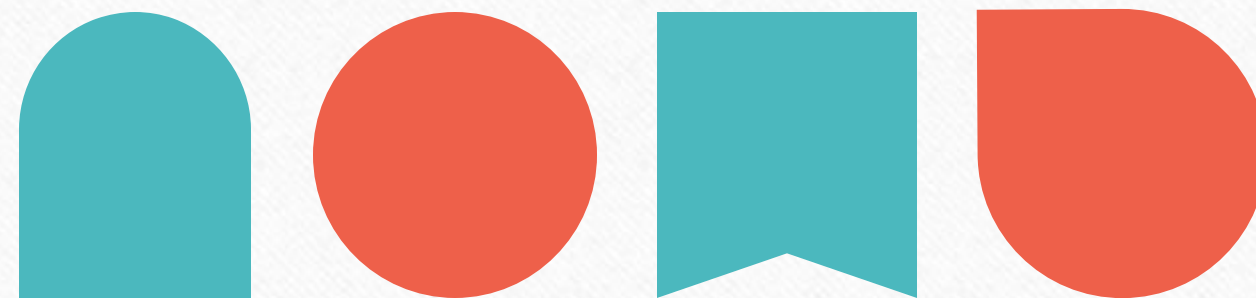

- Education can make life easier.
- Education can make the person to think in the right direction.
- Education can give colorful life.
- We strongly believe that “If one person got good education he/she can take care of entire family”.

Importance of Education

- Change the life of a poor family
- Getting the respect in society
- Unlock the dreams of a student
- Eliminate the fear
- Ability to stand on your own

How & When we started?

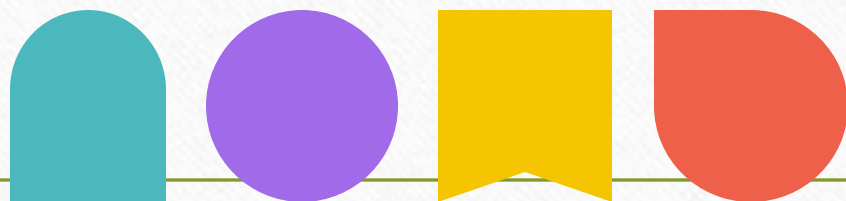

Inspired by the Saanthwana group (a charity) and we decided to contribute to the society so had a first meeting with 4 members on 9th Aug 2013 and officially launched our Rainbow Shiksha on 14th Feb 2014.

Vision

Our Vision is to empower the students whom we are supporting.

- To provide education to the students who are unable to continue the education due financial problem.
- Empower the students to reach their goals.
- Provide the financial support to the families who cannot afford their children education due to multiple reasons like (permanent disability, not knowing the value of education etc..)
